## Consent for Dissemination of Lecture Materials and Recordings

The Department of Mental Health intends to disseminate photographs, activities, and/or recorded lectures in video format through its official communication channels. This aims to promote mental health knowledge among healthcare professionals and the general public.

The materials may include images, names, voices, presentation slides, or any content shared during the training or related activities.

By participating in this training, you acknowledge and agree that the Department of Mental Health may collect and use your personal data, including lecture materials, video recordings, name, voice, and image. These materials will be handled in accordance with applicable data protection laws and used strictly for non-commercial, educational, and public benefit purposes.

Please note: All disseminated content is used for official communication and public education. Once published, such materials cannot be retracted from public circulation.

33 \*

(เลือกได้มากกว่าหนึ่งช่อง)

Yes, I give my consent.
